### **Recount Confirms Primary Election Result**

**(Columbus)** A recount conducted this morning by the Franklin County Board of Elections confirms a Franklin Township gas aggregation issue was defeated by three votes in the May 6 primary election.

Recounted votes from electronic voting machines and paper ballots show 428 votes for the issue and 431 against-the same margin reported in official election canvass last week. The recount was required under Ohio law because the issue was decided by half percent of the vote or less.

Franklin County's next vote is an Aug. 5 special election with a levy for fire services in Jefferson Township and a levy for Licking Heights Schools in Franklin County's portion of the district.

Voters must be registered by July 7 to be eligible for this election.
